

Marte Meyer Walle-Hansen

MD PhD Postdoctoral Researcher and clinician at Bærum Hospital, Vestre Viken Hospital Trust

marte.meyer.walle-hansen@vestreviken.no | martewallehansen.com

Education

Harvard T.H. Chan School of Public Health

Key Topics in Causal Inference (Week 1). Non-degree, summer course hosted by CAUSALab.

Relevant Coursework: G-formula, Inverse Probability Weighting of Marginal Structural Models, Causal Mediation Analysis, Methods to Handle Unmeasured Confounding.

Cambridge, MA

Jun 2022

University of Oslo

Doctor of Philosophy (PhD), Faculty of Medicine

Thesis: "Blood pressure and Brain Health in the Akershus Cardiac Examination (ACE) 1950 Study"

Relevant Coursework: Introductory Statistics, Clinical, Epidemiological and Public Health Research.

Oslo, Norway

Jun 2021 – Apr 2026

University of Oslo

Doctor of Medicine (Candidata Medicinae), Faculty of Medicine.

Oslo, Norway

Aug 2011 – Dec 2017

Norwegian Institute of Science and Technology (NTNU)

M.Sc. in Industrial Engineering and Technology Management.

Relevant coursework: Discrete Mathematics, Single Variable Calculus, Information Technology

Trondheim, Norway

Aug 2010 – Mar 2011

Foss Upper Secondary School

General studies. GPA: 3.96/4.00

Specialization: Mathematics, Chemistry, Physics, International English, French

Oslo, Norway

Aug 2007 – Jun 2010

Research Experience

Department of Medical Research, Bærum Hospital

Postdoctoral Researcher

Gjettum, Norway

May 2026 – present

Department of Medical Research, Bærum Hospital

Joint Clinical and PhD Research Fellowship

Gjettum, Norway

Jan 2021 – Apr 2026

- Thesis: "Blood pressure and Brain Health in the Akershus Cardiac Examination (ACE) 1950 Study"
- Linking data from the Akershus Cardiac Examination ([ACE](#) 1950 Study) with Norwegian national health registries, modeling blood pressure in adolescence and midlife as a risk factor for stroke, cognitive impairment, and neuroimaging features of cerebral small vessel disease in late life

Department of Medical Research, Bærum Hospital

Research Assistant

Gjettum, Norway

Sep 2020 – Dec 2020

- Coordinated the GeroCovid Norway Study: Conducted physical and cognitive testing of study participants, merged and analyzed data across study sites, plotted data into Norwegian and international databases

Antibiotic Centre for Primary Care, Institute of Health and Society

Research Assistant

University of Oslo, Norway

May 2016 – Mar 2018

- Project: "Geographic variation in antibiotic consumption"
- Analyzed data on antibiotic prescriptions from The Norwegian Prescription Database and health care visits from The Directorate of Health's system for Control and Payment of Health Reimbursements Registry
- First-authored scientific paper on geographical distribution of antibiotic consumption in Norway

Marte Meyer Walle-Hansen

Department of Cardiology, Faculty of Medicine

Research Assistant

Oslo University Hospital, Norway

Aug 2014 – May 2016

- Project: "Severe Aortic Stenosis Study"
- Collected data on 1-year postoperative outcomes in cohort of 500 individuals with severe aortic stenosis
- Co-authored two scientific papers on morbidity outcomes after surgical aortic valve replacement and associations of biomarkers with outcomes in severe aortic stenosis

Clinical Experience

Vestre Viken Hospital Trust

Resident Physician, Geriatric medicine

Gjettum, Norway

Jan 2021 – present

Vestre Viken Hospital Trust

Junior Doctor

Gjettum, Norway

Mar 2018 – Sep 2020

- 6 months rotation: Internal Medicine, Bærum Hospital
- 6 months rotation: General Surgery and Orthopedics, Bærum Hospital
- 6 months rotation: General Practice and Family Medicine, Asker Municipality

Department of Surgery, Bærum Hospital

Locum Tenens Physician

Gjettum, Norway

Sep 2017 – Feb 2018

- Worked as an emergency room physician, treating acute orthopedic and surgical conditions

Department of Cardiology, Akershus University Hospital

Locum Tenens Physician

Akershus, Norway

Jun 2017 – Aug 2017

- Worked as a cardiology resident, responsible for ward rounds and treating acute cardiac conditions

Youth Health Station, Bærum Municipality

Locum Tenens Physician

Bekkestua, Norway

Jan 2017 – Aug 2017

- Worked at an outpatient clinic for adolescents 12-20 years old, advising on contraception, puberty, mental health and sexuality, diagnosing and treating sexually transmitted diseases

Other Professional Experience

McKinsey & Company

Intern (Junior Associate)

Oslo, Norway

Jan 2015 – Mar 2015

- Consulted on projects within the health care and pharmacological industry in Oslo and London
- Co-authored report for the Norwegian Medical Association on specialist healthcare IT systems in Norway

Leadership & Activities

The Norwegian Geriatric Congress

Committee Member

Oslo, Norway

Aug 2025 – present

Responsible for academic and organizational planning of the biannual Norwegian Geriatric Congress, including development of the scientific program and coordination of educational sessions.

The Norwegian Geriatrics Society

Leader of Subject Committee on Graduate Medical Education in Geriatrics

Oslo, Norway

Sep 2024 – present

Board Member of Subject Committee on Graduate Medical Education in Geriatrics

Feb 2021 – Dec 2021

Promoting and supporting educational rights of Norwegian physicians specializing in geriatric medicine.

Marte Meyer Walle-Hansen

The Norwegian Medical Association

Oslo, Norway

Board Member of Young Internists of Norway

Jan 2022 – Dec 2022

Voluntary work, arranging educational courses and workshops for Norwegian physicians specializing in internal medicine, promoting and supporting their educational rights, facilitating contact between internal medicine trainees across Europe.

Awards & Honors

International Research Mobility Grant

UNIFOR Foundation for Overseas Research Stays for Doctoral Fellows and Early-Career Medical Researchers
Faculty of Medicine, University of Oslo (Year)

2026

Caroline Musæus Aarsvold's Fund, Study and Travel Scholarship

Norwegian Medical Association

2026

Best Oral Presentation

The Tenth Norwegian Geriatric Congress, Norway

2024

Award for Best Scientific Communication

The National Science Week at Bærum Hospital, Vestre Viken Hospital Trust, Norway

2023

Patient Safety Week, Best Project Award

Vestre Viken Hospital Trust, Norway

2021

Skills & Interests

Technical: STATA, SPSS, PowerPoint, Excel

Language: Norwegian (native), English (fluent), French (conversational)

Interests: Creative writing, visual graphics in medical research, piano player, mezzosoprano, triathlete

Presentations

Walle-Hansen MM, Andersen EL, Heart, brain, and hip fracture research at Bærum Hospital.

Invited speaker to Symposium in honor of Professor Arnljot Tveit, 2026

Walle-Hansen MM, Treatment of hypertension among the elderly – do we get any wiser with new guidelines?

Invited speaker to GerIT (Remote teaching of Geriatrics), 2025

Walle-Hansen MM, Rønningen PS, 10 years of heart and brain research in Akershus – what does the future hold?

Invited speaker to the National Science Week at Bærum Hospital, 2023

Walle-Hansen MM, Health-related quality of life and functional outcomes in older patients six months following hospitalization due to COVID-19. Invited speaker to the Ninth Norwegian Geriatric Congress, 2022.

Walle-Hansen MM, Recurring Large Vessel Occlusion – a case study.

Invited speaker to the Norwegian Geriatrics Society's Fall Conference, 2021.
